Dealer notes

***Vehicle Located in MA - Zoom Classic Cars presents this 1969 Chevrolet Camaro SS Tribute Restomod Coupe. Very High end build featuring a 540CI (8.8L) Fuel Injected Engine coupled with a Keisler T-56 Magnum 6 Speed Manual transmission. New Heater Coe and alternator. Recent tune-up and refresh in 2025 included brand new Johnson lifters, Manley pushrods, gaskets, spark plugs and MSD ignition. Approximately 4400 miles on the build. Hotchkis suspension, 4 Wheel Wilwood disc brake system, New Daytona Yellow paint with Black Stripes over new Pro Car seats with Houndstooth Inserts, Dakota Digital gauges, custom Billet shifter and pedals, custom molded headliner for increased headroom, new tilt steering column, Sony AM/FM/Bluetooth sound system and custom console with cup holder. This professional build started with a very solid, original V8 powered Camaro and was transformed into the Restomod SS Clone using only the finest quality parts to complete this 525HP beast. Have Dyno Sheet showing HP at approximately 544HP. The new chromed out big block engine is situated in an immaculate engine compartment and is composed of a Dart block and Heads and is equipped with Holley Fuel Injection, MSD Ignition, DSI CRY02 Cryogenic intake and C02 Fuel Chiller system, Lemons Headers leading to a Magnaflow dual exhaust system with crossover X pipe and a ton of additional upgrades including custom Moroso valve covers and air filters. Hotchkis suspension consists of upper and lower tubular control arms, front and rear sway bars, rear shock tower brace, weld in subframe connectors, custom traction bars and coil over shocks giving the car a super tight ride and impressive handling. Wilwood power disc brakes have 4 piston calipers and drilled/slotted rotors. Car rides on Nitto NT555 tires mounted on custom chrome wheels. Additional features include Billet gas strut hood and trunk hinges, billet fender braces, custom door handles, Ring Brothers lights, LED parking lights and taillights, front and rear spoilers, all new tinted glass, all new trim, chrome and badging, combination fog lights/directionals, optima battery located in trunk along with cryo tank and kill switch. This is an absolutely stunning build that is super fast, handles well and is an absolute head-turner. Always garaged and maintained. Recently professionally ceramic coated April 2024. Comes with Car Cover and some additional parts as shown. Registered and stored in MA with clean title in the owner's name. Please click on Blue "Additional Info" Button for 2nd video.
