Finished in a striking Bright White Clearcoat exterior, this truck is built to command the jobsite and the highway alike. The spacious Crew Cab configuration provides ample room for passengers or extra gear, making it a highly practical option for buyers who demand both utility and space in a dependable workhorse. At the heart of this 2018 Ram 2500 is the legendary 6.7L I6 Cummins Turbo Diesel engine, renowned for delivering the massive low-end torque and horsepower required for heavy-duty hauling. This truck is exceptionally well-equipped for towing, featuring a Mopar 20k Direct Mount 5th Wheel Hitch to confidently handle large trailers. For ultimate utility, the RamBox Cargo Management System offers secure, weatherproof, and drainable storage built right into the truck bed side rails.
