Dealer notes

This eye-catching 1956 Mercury Montclair 2dr H/T is finished in tutone Gloss Black and White finish over matching tutone leather, giving it a classic look that makes it an excellent cruiser. It's an Arizona, rust-free car, and we have photos showing just how solid the floors are. With its long body, elegant lines, and continental kit, this Montclair draws attention everywhere it goes. The paint has a beautiful shine, with minor imperfections barely noticeable, and the chrome and brightwork present well, with only light aging. Power comes from a 312 CID Y-Block V8 topped with an Edelbrock 4-barrel carburetor, paired to a 3-speed auto transmission. It starts easily and runs well, offering smooth, confident performance you expect from a '50s Mercury. The interior maintains a mostly original appearance with a couple of modern touches. It's in good condition overall, though a few small items may need sourcing if the next owner wants it fully complete. The cabin still captures the unmistakable spirit of 1956. This Montclair comes equipped with p. steering, p. brakes, p. windows, heat, and a Sun oil pressure gauge. The original AM and modern stereo are inop. Fresh out of storage, it stands as a timeless piece of American automotive history, ready to be enjoyed by its next owner.
