Dealer notes

The 2019 Volkswagen Atlas SE R-Line w/Tech Pkg Sport Utility 4D is a midsize, three-row SUV that hits the sweet spot between mainstream utility, aggressive styling, and practical driver technology. Built to cater to large families, this specific trim configuration combines the popular 'With Technology' comfort features with Volkswagen's visually distinct R-Line appearance package. ?? Performance and Mechanical Specs Unlike base-level Atlas models that featured a 4-cylinder engine, upgrading to the SE R-Line with Technology means you get VW's robust V6 engine as standard equipment. Engine:3.6-liter V6 (VR6) Horsepower:276 hp @ 6,200 RPM Torque:266 lb-ft @ 2,750 RPM Transmission: 8-speed automatic Drivetrain: Front-Wheel Drive (FWD) was standard; Volkswagen's 4Motion All-Wheel Drive (AWD) was optional. Towing Capacity: Up to 5,000 lbs when properly equipped. Fuel Economy (FWD): 17 city / 24 highway / 19 combined MPG. ?? The 'R-Line' Aesthetic Enhancements The R-Line package is strictly an appearance and styling upgrade?it does not alter the engine or suspension tuning. However, it completely transforms the visual profile of the SUV by replacing the basic matte black exterior trim with much glossier and sportier accents. Exterior: Sweeping 20-inch twin-spoke alloy wheels, sport-styled front and rear bumpers, body-colored side skirts, and distinctive R-Line badging. Interior: Stainless steel sport pedal caps and an R-Line specific steering wheel badge/welcome screen logo. . www.ellectramotors.com @Ellectra_Motors Ellectra Motors 224 E 1St Street Santa Ana, CA 92701 Sales: 951.900.1614 Service: 714.288.4259
