Dealer notes

The 2023 Mercedes-Benz EQS 580 4MATIC SUV stands out with its striking black exterior, exuding an aura of sophistication and elegance. This all-electric powerhouse combines avant-garde design with cutting-edge technology, evidenced by its aerodynamic illuminated running boards that not only enhance aesthetics but also improve energy efficiency. The EQS 580's all-wheel-drive capability ensures superior traction and stability across diverse terrains, making it a versatile choice for luxury SUV enthusiasts. Inside, the Neva Grey/Sable Brown interior offers a serene and opulent environment, harmoniously blending premium materials with state-of-the-art features. The active ambient lighting system allows passengers to personalize the atmosphere, creating a relaxing ambiance to suit any mood. Equipped with a 110v household charging cable, the EQS 580 ensures charging convenience comparable to the ease of plugging in a smartphone, making it seamless to keep the vehicle ready for any journey. Practicality is further enhanced by features like the all-season cargo mat, designed to protect the luggage area and keep it clean regardless of the adventure. Additionally, a thoughtfully included first aid kit underscores Mercedes-Benz's commitment to safety and preparedness at all times. With zero cylinders powering from a fully electric drivetrain, the EQS 580 demonstrates Mercedes-Benz's commitment to sustainability without compromising on luxury or performance.
