Dealer notes

Nice 1 owner off lease Leaf! These EV's are the perfect commuter car! You can charge them up right from a 110V wall outlet in your garage! They have about a 149 mile range. With fuel prices rising now is the time to consider an EV for your daily commute. This one is priced to sell well under book price! Don't like the color? Have Jeremy find you one! Want one with longer range we can find those as well. Call or text us at 620-869-9982 www.rollingwheelsks.com
