Dealer notes

2013 Chevrolet Suburban Lifted and Customized 4x4. This is a unit we have outfitted, maintained, and cared for over the years for an awesome local customer, with no expense spared. Starting with an FTS 12-inch suspension lift, this Suburban sits on 37-inch Toyo Country Mud Terrain tires with 20-inch Fuel wheels and a matching full-size spare. Finished in gloss black with a matte black wrap on portions of the vehicle, it features a Thule basket rack, smoked LED taillights, tinted windows, carbon-fiber trim, power-retractable folding steps, Fox shocks, custom exhaust, Edge tuner system, upgraded air intake, WeatherTech fitted floor mats, upgraded stereo, overhead entertainment system, and fitted seat covers. This unit has been undercarriage spray-protected and has no rust. We recently performed an immense amount of service on this truck, so it is fully up to date and needs nothing. This is not your typical everyday Suburban. The upgrades alone exceed \$40,000. Excellent mileage, high-quality upgrades, and an extensive list of features make this one cool vehicle for sure — a great mixture of practicality, comfort, and function. Price does not include \$0 processing fee
