Dealer notes

This 2018 GMC Sierra 1500 SLT Crew Cab Z71 delivers an impressive combination of upscale luxury, high-tech features, and serious off-road capability. Powered by a robust 5.3L EcoTec3 V8 engine paired with a smooth 4WD drivetrain, this full-size pickup is fully equipped to handle tough jobs, off-road trails, or comfortable highway cruising with ease. Step inside the spacious full four-door Crew Cab, where premium black leather upholstery sets the tone for a refined interior. The power-adjustable, heated, and ventilated front bucket seats offer all-weather comfort, while the driver's seat includes memory settings for personalized positioning. Ambient interior lighting, dual-zone automatic climate control, a heated leather-wrapped steering wheel, power-adjustable pedals, and a power sliding rear window ensure every trip is effortlessly comfortable. Tech convenience is front and center with the GMC IntelliLink touchscreen infotainment system, featuring factory navigation, a Bose premium audio system, integrated Apple CarPlay and Android Auto compatibility, Bluetooth connectivity, a wireless charging pad, and an array of USB ports. Built with the legendary Z71 Off-Road Package, this Sierra is equipped with tuned off-road suspension, Rancho shocks, underbody shield protection, Hill Descent Control, an automatic locking rear differential, and distinct Z71 badging. For towing and utility, it includes a factory integrated trailer brake controller, heavy-duty trailering equipment, a spray-in bedliner, CornerStep rear bumper, and an EZ Lift and Lower tailgate. Additional premium features include full LED signature lighting with High-Intensity Discharge headlights, front and rear park assist sensors, a rearview backup camera, power-folding heated side mirrors with integrated turn signals, keyless entry with remote start, and stylish 20-inch alloy wheels.
