Dealer notes

2004 Shuttle/Shifter/Yard Jockey Tractor trailer Body Moving Truck. Please read full description on this vehicle. This truck has been serviced it does have the Cummins diesel engine runs and drives. NOTE: All of the hitch assembly apparatus has been cut off and removed we believe they were trying to transfer this truck to something different not really sure we bought a bulk of vehicles and this was one of them. With these items put back on this would be a great yard truck or convert to other uses. This unit is currently in average condition for one of these vehicles.
