Dealer notes

This Vehicle is Rebuilt Tittle Vehicle that has been repaired by a professional shop and mechanically certified to be safe. Carfax is included please review and let us know if you have any questions. Enjoy driving this dependable 4 Cylinder engine while getting amazing fuel mileage and reliability and you can expect better fuel economy thanks to the front wheel drive. Unbelievable fuel mileage at 26 MPG around town and 32 MPG on the highway. The Chevrolet back-up camera gives you additional safety when backing up at the same time keyless start is the ideal convenience option when you're on the move and have your hands full. The HID headlights deliver additional safety when driving at night or in rain, meanwhile listening to dozens of genres of static-free music with the built-in Satellite Radio makes any trip more comfortable. The Bluetooth connection on this vehicle not only cuts down on possible law violations, but also keeps both your hands free to grip the wheel, moreover the MP3 player enables you to listen to hours of uninterrupted music. The AUX input lets you control exactly what you want to hear, what's more is the keyless entry is an added convenience option. The installed stability control stabilizes the vehicle during sudden evasive maneuvers, meanwhile the cruise control is really a must-have for any long distance drive. The alarm system is an effective measure to safeguard the belongings in your car, moreover since a tire pressure monitoring system helps with safety, it may lead to lower insurance premiums for your vehicle. The driver lumbar support makes long trips much more comfortable on the your back, in addition to the increase in performance from the Dual-Shift transmission delivers a truly exciting driving experience. The power windows are so convenient that it's hard to make do without them whereas this traction control system allows for smooth acceleration on slippery roads. The steering wheel audio controls let you control almost every aspect of your music without taking your hands off the wheel, not to mention thanks to the installed power outlet, you can plug in devices when on the move.
