Dealer notes

Step into the future of driving with the highly sought-after 2025 Chevrolet Equinox EV 4dr LT NA *Ltd Avail*. Showcasing a stunning Galaxy Gray Metallic exterior, this all-electric SUV blends modern styling with zero-emissions efficiency. As a limited-availability model, this vehicle offers eco-conscious drivers a unique opportunity to own a cutting-edge electric SUV that stands out on the road. Designed for seamless daily usability and modern electric capability, this vehicle features a zero-cylinder, pure electric powertrain engineered to meet California state emissions requirements. Keeping your vehicle powered is simpler than ever thanks to the included dual-level charge cord, which provides dual-mode portable 120-volt (1.4 kW) and 240-volt (7.7 kW) capability. This versatile charging system allows you to adapt to different power sources easily, whether you are charging at home or utilizing compatible public infrastructure. Inside, the cabin is designed with comfort and durability in mind, featuring refined black cloth seat trim that perfectly complements the sleek aesthetic of the vehicle. Every element of this 2025 Chevrolet Equinox EV LT NA is crafted to deliver a clean, focused, and sophisticated driving experience. Do not miss your chance to secure this limited-availability electric vehicle and elevate your daily travels.
