Dealer notes

This 2009 BMW 335i xDrive is a seriously fun driver's car - quick, smooth, and built for someone who actually enjoys driving. The 335i is known for strong power and that classic BMW feel, and the xDrive AWD makes it much more confident year-round in Tacoma weather compared to a rear-wheel-drive setup. With 130,119 miles, it's a great way to get into a fast, sporty luxury sedan without paying new BMW money. If you want something that's comfortable when you're just cruising but can also move when you step on it, this one is a solid pick. All of our vehicles come with a clean title. We offer financing through banks and credit unions (OAC), can make cash deals quick and simple, and we welcome trade-ins. We're also one of the highest-rated dealers in Tacoma. Message us to confirm availability and set up a test drive.
