2025 Hyundai Tucson Hybrid SEL Convenience AWD Looking for a fuel-efficient, well-equipped hybrid SUV for sale in San Diego? This 2025 Hyundai Tucson Hybrid SEL Convenience AWD is a standout choice with 85,724 miles, a well-maintained 1-Owner CARFAX Report, franchise maintenance history, Deep Sea exterior, Gray interior, and the advanced hybrid technology that makes the Tucson Hybrid one of the most practical and value-packed SUVs in its class. Powered by Hyundai's Smartstream 1.6L turbocharged hybrid engine paired with a 6-speed automatic transmission and HTRAC all-wheel drive, this Tucson Hybrid delivers the perfect balance of fuel savings, smooth performance, AWD confidence, and everyday comfort. It is a smart choice for commuters, families, professionals, students, road-trip drivers, and anyone looking for a reliable hybrid SUV with modern features and lower fuel costs. This Tucson Hybrid SEL Convenience is especially appealing because it comes loaded with the comfort, technology, and safety features today's SUV shoppers want. It includes a panoramic sunroof, roof side rails, hands-free smart power liftgate, proximity key with push-button start, dual automatic temperature control with rear air vents, H-Tex seating surfaces, power driver's seat with lumbar support, heated front seats, leather-wrapped steering wheel, Smart Cruise Control, Highway Driving Assist, auto-dimming rearview mirror, 12.3-inch digital instrument cluster, 12.3-inch navigation system, wireless Apple CarPlay, wireless Android Auto, wireless phone charger, Hyundai Digital Key, Bluelink connected services, and added cross rails. The Deep Sea exterior gives this 2025 Tucson Hybrid a clean, modern, and upscale appearance, while the Gray interior creates a bright, comfortable, and refined cabin feel. With its compact SUV size, flexible cargo space, AWD capability, hybrid efficiency, and advanced driver-assist technology, this Tucson is built for daily driving around San Diego, weekend getaways, family errands, school drop-offs, commuting, and longer road trips. This Tucson Hybrid also offers strong fuel-saving appeal, with the factory label showing an estimated 35 MPG city, 35 MPG highway, and 35 MPG combined, making it a great option for shoppers looking for a reliable gas-saving SUV without giving up comfort, technology, or all-wheel-drive confidence. With a well-maintained 1-Owner CARFAX Report, franchise maintenance history, HTRAC AWD, hybrid performance, SEL Convenience equipment, and desirable Deep Sea exterior, this 2025 Hyundai Tucson Hybrid stands out from typical used SUVs on the market.
