Dealer notes

A 2025 Chevy Express 2500 cargo van with only 12k miles and a robust 6.6L gasoline V8 engine. This work-ready Express is all stock from the factory aside from a handful of smart, functional upgrades: a roof-mounted, remote-controlled MaxxAir exhaust fan for better airflow, Black Horse running boards for easier entry, 16" Pacer aluminum alloy wheels, a basket-style roof cargo rack for extra gear, an aftermarket JVC radio with Bluetooth, and an insulated rear cargo area for improved temperature and noise control.
