Body type: FULL RESTORED

Fuel economy: — city / — highway MPG

Dealer: Carolina Classic Cars, Asheboro, North Carolina 27205

Dealer phone: 336-736-8855

Dealer notes

This 1950 Ford F-1 pickup was refurbished under prior ownership before being acquired by the current owner in 2021. Finished in blue over tan upholstery, the truck is powered by a 239ci flathead V8 paired with a column-shifted three-speed manual transmission. Features include body-color 16" steel wheels, bright hubcaps, whitewall tires, chrome bumpers, running boards, a heater, and a dual exhaust system. Body-color 16" steel wheels feature Ford-branded bright hubcaps and are mounted with Firestone Deluxe Champion whitewall tires. Stopping is provided by drums at each corner. The cabin features a bench seat that has been retrimmed in tan upholstery. Interior appointments include a painted dashboard, a heater, glovebox storage, an ashtray, a headliner, and black rubber flooring. The three-spoke steering wheel fronts a circular 100-mph speedometer as well as smaller rectangular gauges for fuel level, oil pressure, coolant temperature, and battery status. Summit gauges monitoring oil pressure and water temperature have been added beneath the dashboard. The five-digit odometer has been reset and shows zero miles; true mileage is unknown. The 239ci flathead V8 was factory equipped with a single-barrel carburetor and was rated at 100 horsepower and 180 lb-ft of torque when new. The vehicle retains a six-volt electrical system and an oil-bath air cleaner.
