Dealer notes

Demand attention on the road and the job site with this commanding 2021 GMC Sierra 3500HD 4WD Crew Cab 159" SLT. Finished in a striking Onyx Black exterior and paired with a sophisticated Jet Black interior, this heavy-duty pickup seamlessly blends professional-grade styling with rugged capability. Designed for those who require uncompromising strength and a premium aesthetic, this truck boasts an imposing road presence accented by its 20" machined aluminum wheels. Under the hood, this powerhouse is driven by the formidable Duramax 6.6L Turbo-Diesel V8 engine, which is B20-diesel compatible and engineered to deliver the massive torque required for your heaviest towing and hauling tasks. Paired with a robust Four Wheel Drive (4WD) drivetrain, this 2021 GMC Sierra 3500HD offers exceptional traction and control across challenging terrains and diverse driving conditions. Ready to work from day one, this truck comes equipped with the Gooseneck / 5th Wheel Package, establishing it as an elite choice for pulling heavy trailers, campers, or commercial loads. Inside the spacious cabin, comfort and utility are elevated by the inclusion of the SLT Convenience Package, which enhances your daily driving experience with premium amenities. A power sunroof adds an open-air feel to the Jet Black cabin, making long hauls feel effortless. Combining heavy-duty capability with premium convenience features, this 2021 GMC Sierra 3500HD SLT is the ultimate driving machine for those who demand power, luxury, and versatility.
