Dealer notes

The 2004 Lexus LS 430 represents one of the finest combinations of craftsmanship, comfort, performance, and long-term reliability ever offered in a luxury sedan. Considered by many enthusiasts to be among Lexus' greatest flagship models, the LS 430 was engineered to compete with the world's finest luxury automobiles while delivering the exceptional dependability for which Lexus is renowned. Under the hood is a refined 4.3-liter V8 producing 290 horsepower, paired with a smooth six-speed automatic transmission. The result is effortless acceleration, quiet highway performance, and the composed rear-wheel-drive handling expected from a world-class luxury sedan. Inside, passengers are treated to a remarkably serene cabin featuring supple leather, genuine wood trim, power-adjustable seating, dual-zone climate control, and an impressive level of sound insulation. The refreshed 2004 model is especially desirable, benefiting from updated exterior styling, revised lighting, and the new six-speed transmission. Depending on equipment, available amenities included navigation, a backup camera, Mark Levinson premium audio, adaptive cruise control, heated and ventilated seating, power-assisted doors, and numerous rear-passenger comfort features. This CARFAX-certified two-owner vehicle has no accidents or damage reported or detectable. It has spent its entire life in beautiful, sunny, warm, and dry Orange County, California, one of the world's most favorable climates for vehicle preservation. Regular maintenance visits to Tustin Lexus further demonstrate the thoughtful stewardship this LS 430 has received throughout its life. Its exceptional condition makes it difficult to believe the vehicle has accumulated even a fraction of its actual age and mileage. Offering timeless design, remarkable comfort, proven V8 performance, and legendary Lexus durability, this beautifully preserved LS 430 provides an opportunity to enjoy genuine flagship luxury without the ownership costs commonly associated with its European contemporaries.
