STATE CERTIFIED REBUILT TITLE – ONE OWNER – TEXAS VEHICLE – 31,554 MILES – HIGH COUNTRY – 6.2L V8 – PREMIUM PACKAGE 2 – PANORAMIC ROOF – 2023 Chevrolet Tahoe Experience flagship Chevrolet luxury with this stunning 2023 Chevrolet Tahoe High Country 4WD, finished in gorgeous Iridescent Pearl Tricoat over a sophisticated Jet Black interior. With only 31,554 miles, this Tahoe combines the tremendous power of the 6.2L V8 with the comfort, technology, and premium appointments that make the High Country one of the most desirable full-size SUVs Chevrolet offers. This is a ONE-OWNER Texas vehicle carrying a State Certified Rebuilt Title due to previous collision damage involving both sides of the vehicle. We want to be upfront that the prior damage was more significant than some of the lighter rebuilt vehicles we sell, but it has since been repaired beautifully and completed the required state certification process. The result is a sharp, low-mileage, exceptionally well-optioned High Country that offers tremendous value for the right buyer. The repairs have been completed beautifully, and the Tahoe has gone through the required state certification process. Its history is reflected in the value, providing an opportunity to own a low-mileage, highly optioned High Country for considerably less than many comparable clean-history examples.
