Dealer notes

Check out our sophisticated 2019 Tesla Model 3 Long Range AWD Sedan in Blue Multi-Coat and take charge of your driving with easy efficiency. Motivated by Dual Electric Motors and a Single Speed Automatic transmission engineered specifically for enhanced EV performance this vehicle flies. This All Wheel Drive sedan surges forward with the kind of strength you need to feel for yourself, and it frees you from gas stations by seeing nearly 120MPGe in the city and going nearly 310miles on a single charge of electricity. Streamlined and stylish, our Model 3 is mighty appealing with bold alloy wheels, a sunroof, signature LED lighting, and flowing lines. Our Long Range cabin lets you cruise in comfort with premium power heated front seats, a multifunction steering wheel, dual-zone automatic climate control, and a large 15-inch touchscreen that you can leverage for WiFi compatibility, Bluetooth, high-fidelity audio, and just about everything else. It's a modern setup that makes every ride feel special. Tesla's commitment to safety is supported by smart features such as standard AutoPilot technology that automates many typical driving operations but please always keep your hands on the wheel and attention on the road. Featuring all that and more, our Model 3 Long Range will definitely change how you think about EVs! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
