Dealer notes

2019 GMC Acadia SLT-1 AWD — Clean History, Premium Comfort, and Built for the Family That Demands More When the Carfax comes back clean, the decision gets a whole lot easier — and this 2019 GMC Acadia SLT-1 AWD delivers exactly that. Zero accidents, zero damage reported, and a premium SLT-1 trim that arrives loaded with everything a modern family needs and then some. Powered by a smooth and capable 2.5L four-cylinder engine delivering 193 horsepower and paired with a refined 6-speed automatic transmission, the Acadia moves from 0–60 mph in just 8.4 seconds with composed, confident energy. GMC's intelligent AWD system reads road conditions in real time and distributes torque precisely where traction demands it — keeping every passenger safe, comfortable, and in control through every Illinois season without hesitation. Step inside the SLT-1 cabin and immediately feel the difference that GMC's premium trim delivers. Leather-appointed seating across all three rows, heated front seats, a power sunroof, and genuine wood grain interior accents create an atmosphere that feels far more luxury than its price suggests. Second-row captain's chairs deliver an elevated level of comfort that passengers will notice and appreciate on every single drive, while a versatile cargo area handles everything from school bags to Costco runs with effortless ease. GMC's IntelliLink infotainment with an 8-inch touchscreen, Apple CarPlay, Android Auto, and Bluetooth connectivity keeps every occupant seamlessly connected. A standard rearview camera, blind-spot monitoring, rear cross-traffic alert, and forward collision alert create an intelligent 360-degree safety net around your entire family. Clean Carfax, AWD confidence, three-row versatility, and SLT-1 luxury — all at a price that makes this an absolute no-brainer. Come see it today before it's gone.
