Dealer notes

Up for sale is my 2006 BMW Z4 M Coupe (E86) in Interlagos Blue Metallic over Sepang Bronze light beige leather - a rare combo, and the launch color on the launch-year car. Only about 1,800 M Coupes were built for North America across the entire 2006-2008 run, and very few wear this color pairing. Bone stock no modifications. Under the hood is the S54 3.2-liter inline-six from the E46 M3 - 330 hp, individual throttle bodies, 8,000 rpm redline - paired exclusively with a 6-speed manual and rear-wheel drive. Hydraulic steering, no turbos, no screens: the last of the analog M cars. 166,000 miles, and the mileage doesn't scare anyone who knows these cars, because the big-ticket work is already done: - **King rod bearings with ARP rod bolts** - the S54's known weak point - Fresh oil change - New rear brake pads and rotors Runs and drives excellent. Clean California title in hand, no accidents, and it was **just smogged** The car presents beautifully : deep glossy paint, straight panels, clean factory Style 224 wheels, and the Sepang interior shows well against the blue. **$27,999** Located in Livermore, CA. Serious inquiries only - no trades, no lowballs.
