Dealer notes

Step into the future of driving with the stunning 2024 Chevrolet Blazer EV eAWD LT, beautifully finished in a sophisticated Galaxy Gray Metallic exterior. This all-electric SUV seamlessly blends bold styling with cutting-edge efficiency, making it the perfect choice for drivers ready to transition to electric mobility without sacrificing road presence. With its sleek lines, athletic stance, and eye-catching color, this Blazer EV commands attention while offering a zero-emission driving experience designed to fit your daily lifestyle. Engineered for confident performance in diverse driving conditions, this model features an advanced electric All Wheel Drive (eAWD) system that delivers instant torque and exceptional traction. Eliminating the need for a traditional internal combustion engine, the sophisticated electric powertrain provides a whisper-quiet, highly responsive ride that makes commuting and weekend road trips equally enjoyable. The eAWD capability ensures precise handling and stability, giving you total peace of mind whether navigating wet city streets or cruising along the highway. Inside, the cabin is a haven of modern luxury, showcasing premium Black Evotex seat trim that balances durability with a highly refined aesthetic. This electric SUV comes remarkably well-appointed with the Comfort and Convenience Package alongside the Convenience and Driver Confidence Package to elevate every journey. Premium driver-assist technologies like Adaptive Cruise Control make long drives effortless, while the Autosense power liftgate, which is programmable and hands-free, adds incredible utility when loading cargo. Combining style, safety, and modern innovation, the 2024 Chevrolet Blazer EV eAWD LT is the ultimate choice for forward-thinking buyers.
