Dealer notes

Experience the perfect blend of futuristic innovation and premium luxury with this Carfax 1-Owner 2018 Tesla Model X 75D AWD. Finished in a sophisticated Gray exterior that beautifully complements its inviting Beige interior, this all-electric crossover offers a sleek and distinctively modern presence on the road. As a verified single-owner vehicle, it represents an outstanding opportunity for buyers seeking a well-maintained, high-tech EV that delivers everyday utility, eye-catching style, and zero-emissions driving. Powered by an advanced all-electric dual-motor powertrain, the 75D AWD setup provides instant torque and seamless acceleration without using a drop of gasoline. Tesla's intelligent All Wheel Drive system continuously monitors traction conditions to actively distribute power to the front and rear wheels, delivering exceptional stability and driver confidence across varying road conditions. The low-mounted battery architecture contributes to a remarkably low center of gravity, yielding refined handling, minimal body roll, and a quiet, composed ride quality. Step inside to an airy, minimalist cabin highlighted by the premium Beige interior and Tesla's signature central touchscreen display, which intuitively controls navigation, media, and primary vehicle functions. Designed with passenger comfort and futuristic technology at its core, this electric SUV seamlessly balances practical cabin space with sophisticated convenience features. Do not miss your chance to elevate your daily commute—contact us today to schedule a test drive and experience this impressive 2018 Tesla Model X 75D AWD in person.
