VIN: 2C3CDZC98GH308429
Stock #: 308429
Condition: Used
Transmission: Manual
Exterior colour: Pitch Black Clearcoat
Interior colour: Black
Body type: Coupe
Fuel economy: — city / — highway MPG
Dealer: House of Cars, Edison, NJ 08817
Dealer phone: 732-777-5161

Dealer notes

Vehicle identification Year: 2016 Make: Dodge Model: Challenger Trim: SRT Hellcat Body: 2-door coupe
Drivetrain: Rear-wheel drive (RWD) Assembly: Brampton, Ontario, Canada VIN: 2C3CDZC98GH308429 Model code: CDZC9 — Hellcat configuration Engine & performance Engine: 6.2-liter HEMI V8 Induction: Supercharged Power: 707 hp Torque: 650 lb-ft Cylinders: 8 Fuel: Gasoline Turbo: No — supercharger instead Drive: RWD Transmission The 2016 Challenger SRT Hellcat was offered with: 6-speed manual Tremec TR-6060, or 8-speed TorqueFlite 8HP90 automatic The VIN identifies the Hellcat powertrain, but the VIN data I found doesn't reliably distinguish the transmission on this particular VIN. So I wouldn't claim manual vs. automatic without the build sheet/window sticker. Hellcat equipment Typical factory SRT Hellcat equipment includes: Supercharged 6.2L HEMI SRT performance suspension High-performance Brembo braking system Performance-tuned steering SRT drive modes Launch control High-performance cooling system 20-inch performance wheels Aggressive SRT/Hellcat exterior styling Dual exhaust Performance-oriented interior and instrumentation The NHTSA-derived VIN data confirms the SRT Hellcat trim, 6.2L supercharged V8, RWD and 2-door coupe
