Dealer notes

THIS VEHICLE IS OFFSITE AND TRANSPORTATION IS AVAILABLE. 2006 International CXT 4x4 Crew Cab Diesel Dually With Only 13,250 Original Mileage. Worlds largest factory production pickup. One of the absolute rarest colors. This pre emmisions truck has been barn kept and out of the weather as far as we know pretty much it's whole life. The tires that we removed had the original date code tires and still look brand spanking new but knowing they were 15 years old we could not leave them alone so we installed six brand new tires. We also serviced and inspected the truck head to toe, high polished the wheels and made sure it's finish was perfect and it is. DT466 international engine with Allison automatic transmission, full leather interior air ride seat, tilt/dump rear bed. Aside from some slight pinstriping which is a removable decal, this truck is original as it gets and probably the lowest mileage cxt truck left on the planet if not it's close !! This unit would fit right into a museum but is a blast to drive and dwarfs most of these bigger lifted trucks and its bone stock!! Call 804-357-9768 Price does not include $0 processing fee
