Dealer notes

The 2018 Land Rover Range Rover Td6 Diesel HSE SWB in Fuji White combines elegance with rugged capability, offering a refined driving experience in a versatile package. The exterior's pristine hue is complemented by clean lines and a commanding stance that assert its presence on any road. Inside, the luxurious Black interior features top-tier materials and meticulous craftsmanship, ensuring both comfort and sophistication for all passengers. Under the hood, the robust 3.0L 6-cylinder engine delivers both power and efficiency, ideal for both city driving and off-road adventures. The four-wheel drive system provides unparalleled traction and stability, allowing the Range Rover to tackle a variety of terrains with ease. Advanced features like the 825w Meridian Surround Sound System ensure an immersive audio experience, while the head-up display keeps crucial driving information in your line of sight without distraction. The adaptive cruise control with queue assist simplifies highway driving by maintaining a safe distance from the vehicle ahead, even in stop-and-go traffic. Meanwhile, the surround camera system offers enhanced visibility and safety, making tight maneuvers and parking effortless. The 4-zone climate control ensures personalized comfort for every passenger, regardless of external conditions. This Td6 Diesel HSE SWB model exemplifies Land Rover's commitment to combining luxury with impeccable performance and innovative technology.
