Dealer notes

Now with the locking hydraulic valve and slow bleed system from Stillwell Jacks! This 20 foot tilt design has been tested rigorously in the field. All the tilt hardware is CNC machined for a perfect fit and performance. This trailer is equipped with 4 brakes and a breakaway kit as required by Colorado law. the frame is 5 steel channel. It has two 3500 lbs axles a drop leg jack and a best in class bulldog style coupler (hitch). The deck is 4 foot stationary for a more solid pull and balance and 16 foot for the tilt deck. Both the rear and stationary sections are diamond plate steel a full metal deck can be included as an option. Under deck cross members are cold rolled steel channel. Fenders are diamond plate steel as well and have a clearance of only 8 inches. This frame inside of a frame construction can be compared to a Big Tex design and still allows for an 83 inch space between fenders. Available in 5 lug 7K rated 6 lug 6 inch channel 10.4k rated and 8 lug 6 inch channel 14K rated.
