This Civic Sport delivers impressive fuel efficiency, achieving 31 miles per gallon in the city and 39 on the highway. The responsive steering, independent four-wheel suspension, and modern braking system work together to provide confident handling in various driving conditions. Whether navigating urban streets or highway stretches, this sedan offers the balance of comfort and control you expect from Honda.

The interior reflects thoughtful design with a telescoping steering wheel, tilt adjustment, and a trip computer to help you monitor your vehicle's performance. Heated door mirrors and automatic headlights enhance convenience, while the rear window defroster and climate control ensure passenger comfort in all seasons. The leather-wrapped steering wheel and shift knob add a professional touch to your daily commute.

Technology features include HondaLink emergency communication, giving you an added layer of security and peace of mind. The adaptive cruise control system adjusts your speed to maintain safe following distances, reducing the demands of long drives. The blind spot information system provides clear feedback when changing lanes, making highway driving safer and more intuitive.

Safety runs throughout this vehicle with comprehensive airbag protection, four-wheel disc brakes with ABS, and a security system to protect what matters to you. The exterior parking camera helps with tight parking situations, while low tire pressure monitoring encourages proper maintenance and fuel efficiency.

This 2026 Civic Sport comes with North Carolina state inspection completed and is ready for the road. With just 5,778 miles on the odometer and finished in black, this sedan represents an excellent opportunity to own a versatile, well-equipped Honda.
