Dealer notes

Offered for sale is a striking 1968 Chevrolet Corvette Convertible, showing 88,000 original miles. Finished in classic red over a black interior, this C3 represents the first year of the new body style and features the desirable big block V8 paired with a 4-speed manual transmission. This example retains hallmark '68 features such as the chrome bumpers, vacuum-operated pop-up headlights, and the unique one-year-only door release buttons. The big block delivers the raw power Corvette is known for, while the manual gearbox provides an engaging, driver-focused experience. Independent suspension, four-wheel disc brakes, and a fully functional convertible top round out this well-preserved and iconic American sports car.
