Dealer notes

The 2015 Ford Fusion Energi Titanium is a refined plug-in hybrid sedan that combines premium comfort, strong efficiency, and everyday practicality. Powered by a 2.0-liter four-cylinder engine paired with an electric motor for a combined 188 horsepower, this Fusion Energi delivers smooth, quiet acceleration and the flexibility of both electric and gasoline operation. Paired with an automatic transmission and front-wheel drive, it offers a comfortable and composed driving experience that is well suited for commuting, highway travel, and daily errands. With 122,771 miles, this Fusion continues to offer an appealing balance of efficiency, comfort, and usability. The Titanium trim adds a more upscale feel to the Fusion’s sleek four-door design, with a refined cabin, quality materials, and added comfort and convenience features. Its plug-in hybrid system allows for electric driving on shorter trips while retaining the range and flexibility of a gasoline engine for longer distances. Combining premium appointments, fuel-saving hybrid technology, and the practicality of a midsize sedan, the 2015 Ford Fusion Energi Titanium is a smart and versatile choice for drivers looking for comfort, efficiency, and everyday convenience.
