STATE CERTIFIED REBUILT TITLE – 2024 Ram 2500 Big Horn 4x4 Crew Cab – 52,017 Miles – ONE OWNER – 6.4L HEMI V8 – 5th Wheel/Gooseneck Prep – Towing Technology Group This 2024 Ram 2500 Big Horn 4x4 Crew Cab is a heavy-duty truck built for buyers who need serious capability without giving up modern comfort and technology. Finished in Granite Crystal Metallic Clearcoat over a Diesel Gray/Black interior, this one-owner truck has 52,017 miles and is exceptionally well equipped for towing and everyday work. Power comes from the proven 6.4L HEMI V8, paired with four-wheel drive for dependable performance across changing road, weather, and job-site conditions. With the 5th Wheel/Gooseneck Towing Prep Group, Towing Technology Group, spray-in bedliner, and wheel-to-wheel side steps, this Ram is ready to be put to work. Vehicle History & Condition This Ram carries a State Certified Rebuilt Title following previous very light front-end damage. ONE OWNER Very Light Front-End Damage NO Airbags Deployed NO Structural Damage Repairs Completed Inspected & State Certified The previous damage was limited and did not involve structural damage or airbag deployment. After repairs were completed, the truck went through the required inspection and certification process and was issued its rebuilt title. Why This Ram 2500 Stands Out This isn't simply a heavy-duty pickup with an impressive appearance. Its factory equipment makes it particularly attractive for someone who actually intends to use the truck's capabilities. The 5th Wheel/Gooseneck Prep Group provides an excellent starting point for heavy trailer applications, while the Towing Technology Group adds useful equipment designed to make trailer management easier. You also get the versatility of a full Crew Cab, a practical 6'4" bed, HEMI V8 power, and 4x4 capability in a one-owner 2024 truck.
