Dealer notes

The 2020 Chevrolet Express Cargo Van RWD 2500 with a 135" wheelbase is a practical and robust workhorse, designed to meet a variety of business needs. Dressed in a pristine Summit White exterior, this van exudes a clean and professional appearance, ideal for commercial ventures of any size. Complementing its sleek exterior is a refined interior adorned in Medium Pewter, creating a subtle yet inviting cabin space that is focused on functionality and comfort. Under the hood, the 4.3L V6 engine offers a dynamic balance of power and efficiency, ready to tackle any task with confidence. The rear-wheel-drive configuration ensures excellent handling and stability, making it a reliable choice for varied driving conditions. Inside, the van is equipped with front bucket seats featuring custom cloth trim, designed to provide comfort during long hauls, while ensuring durability. A host of features, including a rear air conditioning system and a backup camera, are tailored to enhance the driving experience. The convenience package, along with the preferred and safety packages, ensures that every journey is both comfortable and secure. Keyless entry and remote keyless entry add a level of efficiency, while the driver convenience package, complete with cruise control, simplifies longer trips. A sliding passenger-side door offers easy access to the cargo area, ensuring that loading and unloading are hassle-free.
