Dealer notes

Introducing the 2026 Chevrolet Silverado 2500HD 4WD Crew Cab 172" LT, a robust and versatile truck designed to handle any task with ease. Sporting a sleek Summit White exterior, this powerhouse boasts a 6.6L V8 engine that offers formidable performance and reliability. Its Four Wheel Drive drivetrain ensures capable and confident handling across varying terrains, perfect for both work and adventure. Inside, the Silverado is equipped with a range of premium features to enhance the driving experience. Bluetooth connectivity allows for seamless device integration, while the advanced infotainment system offers navigation for effortless route planning. Safety is prioritized with forward collision warning and lane departure warning systems, ensuring peace of mind on every journey. Ventilated seats provide comfort in any weather, and the auto high beams adjust effortlessly for optimal visibility. In terms of utility, the Silverado boasts an impressive towing package, making it ideal for hauling heavy loads with ease. The convenience package adds practicality, while the suspension package offers superior ride quality. Skid plates strengthen the undercarriage, and the Chevytec spray-on bedliner protects the truck bed during heavy-duty tasks. With a gross vehicle weight rating of 10,650 lbs. (4831 kg) and a rear axle ratio of 3.73, this truck is engineered to perform. Telematics further enhance its capability, ensuring connectivity and advanced functionality every step of the way.
