Dealer notes

Introducing the 2023 Subaru Crosstrek Premium AWD-now available at Ohio Motor Group Steubenville for just \$19,980! This isn't just a car; it is quite literally as nice of a Subaru as you may ever want or need. The Ultimate Multi-Function Swiss Army Knife on Wheels Is it a rugged mountain climber? A zipped-up highway commuter? A grocery-getting champion? Yes. The 2023 Subaru Crosstrek Premium suffers from a glorious identity crisis. Thanks to Subaru's legendary Symmetrical All-Wheel Drive and a punchy 2.0L engine, this wagon is legally obligated to handle whatever you throw at it. It has enough ground clearance to conquer muddy backroads, yet it fits perfectly into standard parking spaces without requiring a commercial driver's license. It's a multi-function vehicle that refuses to compromise-whether you are hauling antique dressers, a wet golden retriever, or just your daily ambition. Your Next Great Travel Companion If your current car complains the moment you drive past the county line, it's time for an upgrade. This Crosstrek is built for the open road: * Road-Trip Ready: Pack the spacious 4-door wagon layout to the brim and hit the highway. * Fuel-Sipping Efficiency: The 2.0L engine keeps your adventures affordable, saving your wallet for souvenirs and diner coffee. * All-Weather Confidence: Rain, sleet, or Ohio winter slush-this AWD system grips the road like a toddler holding a smartphone. Why This Specific Crosstrek? * Unbeatable Price: At \$19,980,
