Dealer notes

2021 Jeep Wrangler Unlimited Freedom The 2021 Jeep Wrangler Unlimited Freedom Edition is built for those who live life without limits. Under the hood, a 3.6L V6 engine produces 285 horsepower and 260 lb-ft of torque, paired with an 8-speed automatic transmission and standard four-wheel drive that laughs at whatever terrain you throw at it. This isn't just a capable SUV — it's an icon with the muscle to back it up, reaching 60 mph with authority while remaining equally at home on the highway or deep off the beaten path. Reliable, proven, and built to last, the Wrangler's powertrain is one of the most trusted in the segment. The Freedom Edition doesn't just perform differently — it looks the part too. Signature LED headlamps and front fog lamps give this Wrangler a distinctive, aggressive presence day or night. Exclusive 17-inch satin carbon aluminum wheels wrapped in all-terrain tires signal that this unit was built for more than just the school pickup line. Inside, the four-door Unlimited body delivers generous passenger space, trail-rated capability, and the kind of open-air freedom — with its removable top and doors — that no crossover on earth can replicate. One owner. Proven reliability. This Wrangler has been cared for. An 8.4-inch touchscreen with Apple CarPlay and Android Auto keeps you fully connected whether you're crossing state lines or crossing streams. The Freedom Edition's exclusive Oscar Mike badge, American flag decals, and matte black Jeep badging give this build a personality that stands apart from every generic SUV on the road. Blind spot monitoring and rear cross-traffic alert round out a safety package that protects you on any terrain. One owner, documented history, and Freedom Edition exclusives that can't be added after the fact — this Wrangler is a rare find at this price.
