Dealer notes

2020 Chrysler Pacifica Limited — The Minivan That Thinks It's a Luxury SUV, and Proves It Every Mile Everything you thought you knew about minivans changes the moment you experience the 2020 Chrysler Pacifica Limited — because this is not just a family hauler, this is a fully loaded luxury experience on wheels. Powered by a smooth and capable 3.6L Pentastar V6 engine delivering 287 horsepower and paired with a seamless 9-speed automatic transmission, the Pacifica launches from 0–60 mph in just 7.2 seconds with a refinement and authority that makes every highway merge and every family road trip feel effortlessly in control. Bold, sculpted exterior styling with chrome accents and an assertive front fascia announce that this is a Pacifica Limited — the top of the lineup — and it delivers on that promise at every single turn. Push open the power sliding doors and step into a cabin that will genuinely take your breath away. The Limited trim wraps every surface in premium Nappa leather seating, genuine wood and metallic interior accents, heated and ventilated front seats, heated second-row captain's chairs, and a panoramic sunroof that floods all three rows with natural light and open-air energy. Stow 'N Go second-row seating — Chrysler's revolutionary storage innovation — folds completely flat into the floor in seconds, creating a cavernous cargo space that no SUV at any price can match for sheer practicality and everyday versatility. A stunning 10.1-inch Uconnect 5 touchscreen — the most intuitive infotainment system in its class — delivers Apple CarPlay, Android Auto, navigation, and wireless connectivity with a responsiveness that makes every other system feel outdated. A premium 20-speaker Harman Kardon audio system transforms the Pacifica cabin into a concert hall on every drive. Rear-seat entertainment with dual screens, blind-spot monitoring, rear cross-traffic alert, and adaptive cruise control complete a luxury technology package that rivals vehicles costing significantly more. Limited trim. V6 power. Stow 'N Go versatility. This Pacifica is the family vehicle that does it all — and does it better than anything else at this price. Come experience it today before it's gone.
