Dealer notes

Elevate your daily drive with the stunning 2024 GMC Acadia AWD Denali, a sophisticated midsize SUV designed for buyers who refuse to compromise on style or substance. Wrapped in an elegant White Frost Tricoat exterior, this flagship trim combines a bold road presence with refined design details. The 2024 GMC Acadia delivers exceptional prestige while offering an upscale sanctuary inside for drivers and passengers alike. Whether you are navigating busy city streets or setting out on extended road trips, the Denali trim exemplifies premium vehicle design and craftsmanship.Under the hood, the 2024 GMC Acadia Denali is powered by a 2.5L 4-cylinder engine designed to handle everyday driving demands with smooth efficiency. Combined with a robust All Wheel Drive system, this SUV offers all-weather confidence and enhanced traction across diverse road surfaces. The AWD powertrain delivers controlled handling and dependable utility, ensuring that your vehicle remains poised, steady, and capable no matter the route ahead.Step inside to experience ultimate luxury highlighted by the After Dark perforated leather-appointed seat trim and an expansive power panoramic sunroof with a sunshade that floods the cabin with natural light. Tech-focused drivers will appreciate the center-stage 15" diagonal premium GMC infotainment system, providing high-definition visual displays and seamless control. Outfitted with practical additions like a front license plate bracket, this White Frost Tricoat 2024 GMC Acadia AWD Denali represents the ultimate fusion of modern technology, comfort, and versatile capability.
