Interior colour: Blue

Body type: Truck

Fuel economy: — city / — highway MPG

Dealer: Davis Auto Sales, Richmond, Virginia 23237

Dealer phone: (804) 271-0030

Dealer notes

GMC K30/3500 Dually Squarebody 4x4. Please read the full description. This was a project truck in the making and has some serious potential. It is a running, driving, operating truck with a big-block 454 V8, 3+3 Crew Cab, and dual rear wheels. It has a small lift, all-terrain tires all the way around, a Dana 60 front axle, and an 8-foot-long bed with an extremely heavy-duty, oversized rear bumper and tow hitch. It also has provisions for a fifth-wheel and gooseneck setup, as well as a tagalong hitch setup for a slide-in camper. This truck is by no means our typical vehicle, but it darn sure has some good potential. It features a factory four-speed manual transmission, air conditioning, bucket front seats with a console, rear bench seat, brush bar, and stainless tubular grille. The 454 V8 runs and drives, and the truck has a very clean frame and reasonably solid undercarriage. It would be perfect for farm use, as a play toy, or for someone looking to fix it up to the next level. Items currently needed include installation of proper towing mirrors and a few other minor miscellaneous items. Beyond that, there are only a few things it would need to get on the road and operate properly and safely. Price does not include \$0 processing fee
