Dealer notes

2023 Porsche Panamera 4 - Night Blue Metallic - Chalk Leather Interior Combining elegant styling, exhilarating performance, and everyday practicality, this 2023 Porsche Panamera 4 is beautifully finished in Night Blue Metallic over a sophisticated Chalk leather interior. The deep blue exterior pairs exceptionally well with the light-colored cabin, creating a timeless and refined appearance. Powered by a twin-turbocharged 2.9L V6 producing 325 horsepower, the Panamera 4 delivers responsive performance through an 8-speed Porsche Doppelkupplung (PDK) transmission and Porsche's renowned all-wheel-drive system. The result is a luxury sport sedan that offers impressive acceleration, confident handling, and exceptional long-distance comfort. This example is thoughtfully optioned with the Assistance Package, adding advanced driver-assistance technology, along with power rear door sunblinds for enhanced passenger comfort and privacy. Additional highlights include a heated steering wheel for added comfort in colder weather and high-gloss black interior trim, providing a sleek, modern contrast to the Chalk leather upholstery. Offering the perfect balance of Porsche performance, executive-level comfort, and distinctive styling, this Panamera 4 is an excellent choice for those seeking a luxury sedan with genuine sports-car character.
