Dealer notes

2010 Ford Fusion Sport FWD – 3.5L V6 – Tuxedo Black Metallic – Fresh Trade-In – AS-IS Vehicle This 2010 Ford Fusion Sport FWD is a fresh trade-in offering an affordable opportunity for someone looking for a V6-powered sedan. Finished in Tuxedo Black Metallic, the Sport trim gives this Fusion a sharper, more aggressive appearance, while the 3.5L Duratec V6 provides strong performance for an everyday sedan. This vehicle was traded in by a returning customer who personally drove it approximately one hour to our dealership. We also had our mechanic drive the vehicle approximately two weeks before listing it for sale. This is an AS-IS, higher-mileage 2010 vehicle, and we want expectations to be completely clear before anyone makes the trip. It is not a perfect car and will have cosmetic imperfections along with normal mechanical wear associated with its age and mileage. Please understand that this is a 2010 vehicle with higher mileage, and it should be evaluated accordingly. Buyers should expect cosmetic imperfections and normal mechanical wear consistent with the age, mileage, and previous use of the vehicle. There is also visible damage on the lower portion of the bumper. This is not a flawless, restored, or like-new vehicle. There may be scratches, rock chips, dings, paint imperfections, interior wear, worn trim, stains, noises, vibrations, seepage, aging suspension components, or other maintenance and mechanical items commonly associated with an older, higher-mileage vehicle. This 2010 Ford Fusion Sport is being sold AS-IS and is not a perfect vehicle. The returning customer drove the vehicle approximately one hour to our dealership to trade it in, and our mechanic also drove it approximately two weeks before listing. Those are simply facts about its recent use and are not a guarantee of future mechanical reliability. We strongly encourage customers to inspect the vehicle, test drive it, and have an independent mechanic perform a pre-purchase inspection if desired before purchasing. Please do not come expecting a flawless car. This is an older, higher-mileage, AS-IS vehicle with cosmetic and normal mechanical wear, and it has been priced with those expectations in mind.
