Dealer notes

Finished in Black exterior paint, this 2026 Chrysler Pacifica Select combines modern family versatility with an impressive array of standard equipment and comfort-focused amenities. Powered by a proven 3.6-liter Pentastar V6 engine delivering 287 horsepower paired with a smooth nine-speed automatic transmission, this front-wheel-drive minivan achieves an EPA-estimated 19 MPG city and 28 MPG highway. Its exterior styling is accentuated by 17-inch painted aluminum wheels, automatic LED headlamps, LED fog lamps, heated power mirrors with integrated turn signals, and both power-sliding side doors and a power liftgate for effortless loading. Inside, the cabin is outfitted with durable Caprice leatherette seating and Chrysler's signature second- and third-row Stow 'n Go seating system, allowing the rear rows to fold completely flat into in-floor storage bins to unlock up to 140.5 cubic feet of cargo space. Cold-weather comfort comes standard with multi-level heated front seats, a heated steering wheel, and three-zone automatic climate control with rear ventilation ducts, while second-row window shades and a center console with second-row accessible storage add everyday convenience. An eight-way power driver's seat with power lumbar support and two memory settings ensures tailored comfort behind the wheel. Technology and driver-assistance features are anchored by the Uconnect 5 infotainment system featuring a 10.1-inch touchscreen, wireless Apple CarPlay and Android Auto, SiriusXM capability, and a six-speaker audio system. Peace of mind comes standard with adaptive cruise control with stop and go, blind-spot monitoring, lane departure warning with lane keep assist, full-speed forward collision warning with active braking, rear parking sensors, and a rearview camera. With just 19,214 miles on the odometer, this 2026 Chrysler Pacifica Select is ready to handle daily commutes and family road trips alike.
