The PRO-X trim positions this truck as a well-equipped choice for drivers who demand both functionality and comfort. The tow package comes ready to handle your hauling needs, while the navigation system with voice recognition keeps you connected on every route. Dual zone climate control ensures driver and passenger comfort across all seasons, and the premium cloth seat trim with front bucket seats and center armrest provide supportive seating for long drives.

Safety is prioritized with multiple airbags, electronic stability control, and a low tire pressure warning system. The electronic tailgate lock adds convenience when loading cargo, while the off-road style step rails and PRO-X mud flaps enhance the truck's capable appearance.

With an EPA-estimated 18 city and 24 highway mpg, this Frontier balances efficiency with the power delivery you expect from a V6 pickup. The rear-wheel drive configuration contributes to responsive handling, whether you're navigating city streets or tackling country roads.

The comprehensive feature set--from the security system and panic alarm to the trip computer and voltmeter--demonstrates Nissan's attention to driver needs. Variably intermittent wipers adapt to weather conditions, while the delay-off headlights provide safety when you leave the truck.

This 2023 Frontier PRO-X represents a solid investment for anyone seeking a dependable pickup with genuine truck capability and modern conveniences.
