Dealer notes

This 2013 BMW X3 xDrive28i offers refined German engineering combined with practical versatility for today's discerning driver. - Panoramic moonroof with power tilt, slide, and sunshade - Heated front seats and heated steering wheel - Front and rear park distance control - Satin aluminum roof rails - Satellite radio with one-year subscription - BMW Assist with enhanced Bluetooth and USB connectivity - Automatic temperature control with front dual zone capability - 18-inch V-Spoke alloy wheels - Power liftgate - Leather steering wheel with mounted audio controls - Rain-sensing wipers - Four-wheel independent suspension - Electronic stability and traction control - Split folding rear seats for flexible cargo space The 2.0-liter TwinPower turbocharged engine paired with an 8-speed automatic transmission delivers balanced performance while maintaining fuel efficiency at 21 mpg city and 28 mpg highway. All-wheel drive provides confidence in varying road conditions, and the responsive steering adapts to your driving speed for enhanced control whether navigating city streets or highway driving. Step inside to find a well-appointed cabin with leatherette upholstery, front bucket seats, and a rear center armrest. The panoramic moonroof floods the interior with natural light, while power-adjustable front seats with memory settings ensure personalized comfort. Dual-zone automatic temperature control allows both driver and passenger to set preferred cabin conditions independently. Safety and convenience are prioritized throughout this vehicle. Dual front and side impact airbags work alongside an anti-whiplash system and four-wheel disc brakes with ABS. Electronic stability control and traction control help maintain stability, while the comprehensive airbag system including overhead protection adds peace of mind for all occupants. The front and rear park distance control system alerts you to nearby obstacles during parking maneuvers. Entertainment and connectivity options keep you engaged during every drive. The anti-theft AM/FM stereo system plays CDs and MP3s through 12 speakers, while satellite radio with a one-year subscription provides expanded programming choices. BMW Assist connects you with roadside assistance, emergency services, and enhanced support through Bluetooth and USB integration. This X3 xDrive28i combines BMW's commitment to engineering excellence with the practicality demanded by active lifestyles. The combination of all-wheel drive capability, intelligent climate control, and versatile interior configuration makes this a well-rounded choice for those seeking a capable compact luxury SUV. We invite you to experience how this vehicle's balance of performance, comfort, and reliability can enhance your daily driving.
