Dealer notes

15-passenger capacity. Power running board. Medium-roof versatility. This well-maintained 2017 Ford Transit T-350 XLT Passenger Wagon features Oxford White paint, a Pewter interior, and a 148-inch wheelbase. Its factory 15-passenger seating configuration accommodates up to 15 occupants, including the driver, making it particularly well suited for shuttle services, churches, organizations, and group transportation. A power running board provides convenient passenger entry and exit. Clean CARFAX with no accidents or damage reported. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. The naturally aspirated 3.7L Ti-VCT V6 produces 275 horsepower and 260 lb-ft of torque, paired with a 6-speed automatic transmission and Rear-Wheel Drive. The XLT cabin features a medium-height roof, privacy glass, air conditioning, power windows, and power door locks. A right-side sliding door provides convenient access, while the additional roof height improves interior movement compared with a low-roof van. Factory equipment includes the Heavy-Duty Trailer Tow Package, 16-inch styled aluminum wheels, and trailer wiring connections. Available cargo space depends on passenger occupancy and luggage requirements. The CARFAX documents 18 service history records, including oil changes, brake service, transmission and differential maintenance, and cooling system repairs. Notable work includes water pump replacement in January 2024 and radiator repair in 2025. Adam Auto Group also performed a multi-point inspection, checked all fluids, and completed a fresh oil and filter change in preparation for sale. For transportation providers, businesses, and large families, this Transit XLT offers substantial seating capacity, convenient passenger access, and the versatility needed for regular group travel. Frequently Asked Questions Q: What is the seating capacity of this Transit? A: This factory 15-passenger Transit Wagon has seating for up to 15 occupants total, including the driver and 14 passengers. Q: What is the advantage of the medium roof? A: It provides additional interior height compared with a low-roof Transit, making movement within the passenger cabin more convenient. Q: Does this Transit have towing equipment? A: Yes. The factory Heavy-Duty Trailer Tow Package provides equipment for connecting compatible trailers. Actual towing capacity depends on vehicle configuration and loading. Local Availability See this 2017 Ford Transit T-350 XLT Passenger Wagon at Adam Auto Group in Crestwood, IL, just south of I-294 on Cicero Avenue. Call (708) 972-7914 to confirm availability today.
