Dealer notes

In 2023, the Mercedes-Benz EQS 450+ SUV emerges as a paragon of luxury and innovation, draped in an elegant black exterior that hints at its powerful and agile presence on the road. Nestled within, the interior exudes sophistication with a harmonious blend of Black/Space Grey hues, showcasing the highest levels of craftsmanship and attention to detail. This all-electric marvel features an engine with zero cylinders, emphasizing a commitment to sustainability without sacrificing performance or comfort. The exclusive trim package elevates the driving experience, offering bespoke elements that add to the refined ambiance within the cabin. The head-up display seamlessly projects vital information onto the windshield, ensuring drivers remain fully attuned to the road ahead. Multicontour front seats with a sumptuous massage feature envelop occupants in unparalleled comfort, ideal for those long journeys that the EQS 450+ so effortlessly conquers. Meanwhile, the striking wheels—21" x 9.5j 5-twin spoke aero—perfectly complement the SUV's aerodynamic design, blending style with function. Further enhancing passenger comfort, the 4-zone climate control system allows everyone on board to tailor the environment to their personal preferences, ensuring an optimal atmosphere regardless of the weather outside. This attention to individual comfort extends the vehicle's luxury credentials, emphasizing the seamless fusion of advanced technology with timeless elegance. Every drive in the 2023 Mercedes-Benz EQS 450+ SUV is an invitation to experience the future of automotive excellence today, where cutting-edge innovation meets the ultimate in comfort and style.
