Interior colour: Black

Body type: Truck

Fuel economy: — city / — highway MPG

Dealer: Davis Auto Sales, Richmond, Virginia 23237

Dealer phone: (804) 271-0030

Dealer notes

Jeep Gladiator Lifted Custom Build. This low-mileage 30,000-mile unit has just about every upgrade you could ask for. One of the major upgrades is the front and rear Dana 60 Super 60 axle swap. This unit is also tuned and equipped with a PA system and a custom wrap. The vehicle is black underneath and has clean paint throughout. We actually added the wrap approximately 60 days ago, so we know this is a clean, solid unit. It has brand-new 38-inch Toyo MT tires mounted on 20x12 KG1 forged wheels, power-retractable side steps, a Smittybilt winch system with a custom front bumper, rock lights underneath, custom upgraded exhaust, dark-tinted windows, vent visors, trailer brake control, push-button front and rear lockers, bed cover, rearview camera, and the list goes on and on. This unit is incredibly well-built while still being a low-mileage, extremely clean Jeep. When you add up the upgrades alone, the value in this build is substantial. Just Google the Dana Super 60 axles and see for yourself what a significant upgrade they are. Price does not include \$0 processing fee
