Dealer notes

If you are searching for a reliable, no-nonsense workhorse to elevate your business or daily fleet operations, this 2014 Chevrolet Express Cargo Van is the ultimate solution. Finished in a professional Summit White exterior, this rear-wheel-drive utility van is designed to handle demanding tasks with ease. Whether you are an independent contractor, delivery specialist, or mobile technician, the 135-inch wheelbase offers the ideal footprint for navigating tight job sites while maximizing your usable interior volume, making this vehicle a highly sought-after asset for those who value on-the-job productivity and proven dependability. Under the hood, this 2014 Chevrolet Express Cargo Van is powered by a dependable 4.3L 6-cylinder engine, delivering a practical balance of capability and efficiency for your daily routes. The rear-wheel-drive configuration ensures stable, predictable handling under load. To support your electrical equipment and job site needs, the vehicle comes equipped with a heavy-duty 145-amp alternator, ensuring consistent power delivery. Additionally, the cabin and cargo transition is made safer and more convenient thanks to the fixed glass rear doors, which provide crucial rearward visibility while keeping your valuable tools and cargo secure. Inside the cabin, you will find a functional and durable Medium Pewter interior designed to withstand the rigors of a demanding workday. Drivers will stay comfortable in any weather with the single-zone manual air conditioning system, while the AM/FM stereo with a CD/MP3 player keeps you entertained on longer transits. Staying connected on the go is simple with the integrated USB port audio system feature, allowing you to easily plug in your devices. Combining straightforward utility with essential cabin comforts, this 2014 Chevrolet Express Cargo Van is ready to work as hard as you do.
