Dealer notes

Elevate your daily drive with this exceptional, Carfax 1-Owner 2023 Tesla Model Y Long Range AWD. Finished in a striking Solid Black exterior with a sophisticated matching Black interior, this premium all-electric SUV perfectly combines modern styling with the peace of mind that comes from a clean, single-owner history. As one of the most sought-after electric vehicles on the market, this Model Y offers an ideal entry point into sustainable, high-tech driving without sacrificing luxury or curb appeal. Engineered for all-weather confidence and dynamic performance, the dual-motor All Wheel Drive system delivers instant torque and precise traction control. Because it is powered entirely by an advanced electric powertrain, you get seamless acceleration and impressive efficiency with absolutely zero emissions. The Long Range capability ensures you can tackle daily commutes and extended road trips alike with confidence, while the versatile crossover utility design provides ample cargo space to accommodate your active lifestyle. Inside, the minimalist Black interior cabin centers around Tesla's signature high-definition touchscreen interface, which seamlessly controls navigation, cabin climate, and vehicle settings. Passengers will enjoy a quiet, comfortable ride with expansive legroom and supportive seating, complemented by the airy feel of the standard panoramic glass roof. Do not miss the opportunity to own this highly desirable, single-owner 2023 Tesla Model Y Long Range AWD—a perfect blend of futuristic technology, premium comfort, and zero-emission capability.
