Dealer notes

RARE 34,000-MILE GEM! 1995 Mitsubishi 3000GT Spyder. This is something SPECIAL-a remarkably preserved, low-mileage example of one of the most fascinating Japanese sports cars of the '90s, complete with its power retractable hardtop! IMMACULATE inside and out with just 34k miles, plus ALL NEW TOP HYDRAULICS, recent timing belt and water pump, and NEW TIRES. The 3000GT Spyder was produced in very limited numbers, and finding one this original, this clean, and with mileage this low is becoming incredibly difficult. Fully serviced and ready to enjoy today, with real collector appeal for tomorrow. We're also home to our 5-STAR SHOP, TURNAGE AUTO CARE. View the FREE CARFAX at TurnageMotorCo.com! They didn't make many then-and they're certainly not making any more. *IF YOU'RE SHOPPING ON FACEBOOK, YOU'LL ONLY SEE 20 PHOTOS - PLEASE visit our website for all photos - TurnageMotorCo.com
