Dealer notes

The 2022 Tesla Model Y Performance AWD is a marvel of modern engineering, combining elegance, innovation, and high performance. Its striking exterior, finished in Pearl White Multi-Coat, exudes sophistication and modernity, promising to turn heads wherever you go. This electric SUV, equipped with an electric motor using zero-cylinder technology, delivers a thrilling driving experience without compromising on sustainability. The aerodynamic design enhances both aesthetics and efficiency, making it a perfect choice for the eco-conscious driver. Inside, the cabin is adorned with a sleek Black interior, marrying luxury with functionality. The panoramic sunroof invites natural light, creating an open and airy atmosphere filled with possibilities. Advanced features like active cruise control and a blind spot monitor ensure a safe and stress-free drive, while the forward collision warning and lane departure warning systems offer additional layers of protection. Comfort is at the forefront with heated seats, allowing for a cozy ride even on the chilliest of days. Tech-savvy individuals will appreciate the seamless integration of Bluetooth connectivity, making hands-free communication effortless. The Model Y is equipped with parking assist and rain-sensing wipers, enhancing convenience and safety in various driving conditions. Additionally, the towing package expands the vehicle's versatility, catering to both adventure seekers and those with practical needs. With its all-wheel-drive configuration, the Model Y Performance AWD guarantees exceptional handling and traction, ensuring a pleasurable driving experience across any terrain. No Additional Fees!
